REKINDLE THE JOY OF BEING MARRIED

Dr. Gary & Barb Rosberg

Marriages hold no joy for couples who feel stuck. But they hold infinite happiness for couples who learn to celebrate their one-of-a-kind love. The fifth of the 6 Secrets to a Lasting Love is *Celebrating Love*.

Celebrating love revels in the emotional, physical, and spiritual connections that bond you to your spouse. It's a love that protects you and your spouse from drifting apart and enables you to fall in love and feel discovered all over again. Celebrating love rejoices daily in the marriage you have and helps you feel cherished and captivated by each other.

Ideas for Celebrating Your Husband

- Send him off and welcome him home with a smile and a kiss.
- Write down a list of reasons why you love him, then share the list with him over a romantic dinner.
- Buy attractive new nightwear for yourself – and hide his!

Ideas for Celebrating Your Wife

- Compliment her, especially for the little things.
- Give her a head-to-toe massage.
- Send her cards or love letters.
