

Fight for your marriage

... with the
same intensity
you fight fires.

Firefighting is a challenging profession. It can make your marriage challenging as well, but that doesn't mean you can't have a good marriage, or even a great one. FamilyLife's HomeBuilders Couples Series *Protecting Your First Responder Marriage* is written by a first responder for first responder marriages. Join a group or form your own today and help other firefighters and first responders discover the God-designed plan for your marriage.
